B2 ENGLISH LEVEL TEST

(ADVANCED AUTOMOTIVE ENGINEERING - AAE)

THE TEST:

The **B2 English Level Test** is a computerized exam. Its purpose is to evaluate each candidate's ability to communicate in English. The level of the test is B2 as defined in the **Common European Framework of Reference for Languages (CEFR)**. The B2 English Level Test focuses on:

- grammar and lexis ("Use of English")
- listening and reading comprehension

The **B2 English Level Test** lasts **40 minutes** and **to pass the test each candidate should answer correctly at about 60% of the items of the test.**

CANDIDATES:

The **B2 English Level Test** is open to **all UNIMORE students**, as well as to **other students** who want to apply for the ADVANCED AUTOMOTIVE ENGINEERING - AAE course.

There is no set limit to the number of times each candidate can take the test in the year.

WHAT TO DO:

Individual self-study is highly recommended.

Common European Framework of Reference for Languages (CEFR)'s **B2 level is equal to Cambridge Assessment English's "First Certificate"**, therefore we recommend that each candidate use the appropriate material for the B2 level.

Candidates should look for **free online activities** at: http://www.cambridgeenglish.org/learning-english/activities-for-learners/

WHERE:

The **B2 English Level Test** will take place at the **University Language Center (CLA), C.so Vittorio Emanuele II, N.59. in Lab 3.**

Candidates should check the "News" section of the University Language Center's website (http://www.clamore.unimore.it/news) for messages and changes to the due schedule of the test sessions.

COSTS:

The **B2 English Level Test Application Fee** is **€ 45,00** (**for each exam date**), to be paid by **Bank Credit Transfer** to the following beneficiary starting from October 1st 2017:
