

# **B2 ENGLISH TEST - JULY 2020**

***(ADVANCED AUTOMOTIVE ENGINEERING, ELECTRONICS ENGINEERING)***

## **The test**

The purpose of the B2 computerised English test is to evaluate the candidates' ability to communicate in English. It tests language usage along with reading and listening comprehension.

The test lasts 45 minutes and 60% of correct answers is its cut-score.

## **Who can sit the test?**

The test is aimed at those students intending to apply for either the Advanced Automotive Engineering or the Electronics Engineering course.

Only UNIMORE students and Alumni provided of UNIMORE username and password can sit the test.

Candidates failing the test can retake it on another date, if available.

## **Technical requirements for the test**

Please find all the technical requirements at the following link:

<https://dolly.cla.unimore.it/2019/course/view.php?id=49>

## **How to prepare for the test**

As there are no courses in preparation to the test, candidates are required to do some self-study. The Common European Framework of Reference B2 level corresponds to the Cambridge "First Certificate in English" exam, so any material specific for the preparation of this certificate is a good choice.

Free activities for B2: <http://www.cambridgeenglish.org/learning-english/activities-for-learners/>

## **Cost of the test**

The test is free of charge.

## **How to register for the test**

Online registration form: <http://www.cla.unimo.it/exams/> <TEST DI LINGUA INGLESE B2 AAE (inglese)>.

If a candidate signed up for the test but can't make it, they have to inform the secretariat as soon as possible via email ([corsi.cla@unimore.it](mailto:corsi.cla@unimore.it)).

## Declaration of commitment and VISA
